

Friday News 13.10.23

We are nearly at the end of half term. There has been some amazing learning happening in all classes across the school, which so many of you would have heard about at Parents' Evening this week. Thank you to all parents who were able to attend; we had an amazing turn out. Last week, the whole school walked to the church for our harvest festival. The children led the service with each class sharing something about harvest. It was wonderful to see so many children so confident to speak in the church. You can be very proud of them all, as am I. Year 3 went back to the church later that week and explored some of the rocks around the church as part of their science. They also spent time with Rev Faith exploring the different parts of the church as well.

Sport news

Well done to our Year 6 boys football team for winning their tournament on Monday which means that they are through to the county final after half term. This is an amazing achievement for a school of our size! We wish them the best of luck for the county final.
